EDITOR'S LETTER

We love it when we come across new girls, and our lives are made even easier when they hunt us down and beg to be in the magazine, saving us a finder's fee! We're talking about the stunning April Mae of course, and we were so happy with her photos that we couldn't resist ourselves and put her on the front cover, quite an achievement for a debutant don't you think? And we've got some of the more experienced girls in the form of Charlie Rose, Cara Brett and Brook Little to balance things out! Enjoy

THREE 4 ALL!

Dear Mayfair,

I first bumped into Kirsty at a bar while on holiday last year. What I should explain is that I'm a 27-year-old bi-sexual female, but I don't usually make a play for women when I'm vacationing. Plus this time I had brought along my favourite fuck-buddy, Ben, since for some reason the sun makes me extra horny for thick hard cock in both my holes.

But once I had seen Kirsty, I just could not take my eyes off her sun bronzed thighs or her pert-looking tits. Even just the way her hardened nipples poked against the soft fabric of her sundress excited me. She had not set out to be deliberately sexy, but the soft cotton dress had been designed to expose as much of her body to the sun as possible. Her large breasts and long legs made my mouth water, and I fantasised about what her pussy looked like. So when she swivelled around on her stool and I saw a flash of her white cotton panties it sent tingles straight to my nipples and clit.

When she noticed how intently I was watching her, she smiled, scrunched up her nose in a cutesy kind of way, and winked. It was a total come on, so I immediately went over and introduced myself. We had a couple of drinks together and I was pleased that she was open and not the least bit shy about her sexuality. It turned out that she was on holiday on her own, as her friend had a last minute family crisis, and had needed to cancel at the last moment. I could hardly keep the grin off my face as I realised that this young lady was positively offering me her pussy on a plate.

Kirsty was experimentally inclined, horny and gagging for it. When Iasked her if she would like to come to my hotel room, she nodded enthusiastically and agreed immediately. In the lift up to the room she was positively purring as she rubbed against me – even when the lift stopped to pick up other passengers!

In my room she was no less reserved, even when I told her that my fuck buddy Ben could come back from the beach at any moment. I noticed that she blushed and lowered her eyes if I used any crude words, like "cunt", or "bumhole", and I played on this reaction, thinking that she may well enjoy my being dominant in a playful way.

At 19 she was eight years younger than me, and her fresh girlish looks and dress really made me damp. I sat on a chair by the dressing table and asked her to sit on my lap. Kirsty happily came over and sat squiggling around on my lap as I caught her hands and held them both together in one of mine behind her back.

Picking up the hem of her dress I raised it to her mouth and told her to hold the edge in her teeth. She looked at me inquisitively, then, realising that I wanted a clear view of her pussy,

she did as I asked. I ran my hand up her sun-tanned thighs, which she spread wider as I moved my fingers steadily towards her pussy. Her white cotton gusset was damp with excitement and I felt my pussy getting wet and dampening my own panties when I saw a few stray blonde curls peeping out the sides.

I ran my fingers up and down her gusset, pressing them hard against the pristine white cotton as I rubbed her snatch through the material. Kirsty purred and wriggled, jiggling her tits in my face as I stroked her clit through her knickers.

Dear Mayfair,

Thank you so much for your Christmas issue of Mayfair with Bella on the cover, it made my year. And thank you for not sticking her in a stupid Santa hat on her or dressing her up as an Elf, I'm too old for all of that shit (as John McClane put's it in Die Hard)! I just enjoy the sexy lingerie and the moment the models get naked and spread their legs showing themselves in their full glory. Saying that though, some of the girls don't like to bare all, like Olivia in the last issue, it's gives you a little something to think about rather than getting it thrusted in your face. Oh, how I'd love to have any of the Mayfair girls shove their naked bodies in my direction. I can only dream

Mark, Birmingham

Thanks Mark, it sounds like you might have had a bit of a dry patch over Christmas! Never fear, this latest issue of the magazine will have you reaching for your flyers before you in no time. And we agree, sometimes it's nice to see a girl fully exposed and ready, but it's also just as sexy to leave something to your imagination!

Dear Mayfair,

I was so happy when I opened last month's issue of Mayfair to find two of my favourite Paul Raymond stars Grace Lily and Zara Mae jumping out of the contents page at me. Naturally their pages were the ones that I went to straight away, which wasn't difficult really because they were the first two girls appearing in the magazine anyway. Bella Mendez looks great on the cover too and I've always been a big fan of Holly Gibbons, all of the girls were great, so I don't know why I'm singling any of them out, apart from Grace Lily and Zara Mae of course. Sorry to be a moaner though but I don't like the Classic pages in Mayfair, they're a bit hairy!
Ollie, Newport

Thanks Ollie, we've taken your Classic comment on board and dropped it for this issue, I have a feeling it will be back before long!

She looked very pleased as she watched me undress, and licked her lips salaciously as I unfastened my DD cup bra and let it fall onto the carpet.

Once I was ready I pulled her panties down and buried my tongue between her puffy pink labia. She squirmed under me, holding my face against her as I tongued her slot. I nipped her clitoris, making her back arch as she climaxed in my mouth, spraying her sweet juices onto my tongue as I tried to drink them down.

Just then Ben came into the room, but Kirsty was so engrossed in her orgasm that she hardly took any notice.

Without bothering to comment or ask permission, Ben joined us. Handing me a bottle of lube, he told me to lube up my "little friend's arse". My pussy began to quiver as I slathered her ring with the lubricant. I pushed my finger inside her tight ring to finger-bang

> "I pulled her panties down and buried my tongue between her puffy pink labia."

her bum and began to eat her again while Ben got into position behind me.

As I licked her pussy and fingered her bum hole, Ben lowered his swimming trunks and lodged his cock against my pussy entrance.

Kirsty's hips thrust upwards as I fingered her bum and I dived in for more as Ben began to thrust into me from behind.

Soon he was slamming in and out of my cunt, making me squeal, and I came hard on his thick cock, taking his full load inside my pussy. Almost simultaneously I got a mouthful of Kirsty's pussy cream as my finger probed inside her tight little arsehole.

It was a great holiday fuck, and thankfully that was only the start of it!
Daisy, Milton Keynes

FULLY OPENED UP

Dear Mayfair,

My boyfriend loves looking at all the sexy babes in your great mag while wanking his lovely cock, but I never get jealous because it's me that gets all his lovely spunk at the end of the day. And anyway, he knows that I masturbate myself silly over the horny letters from guys, as fantasising about their experiences is guaranteed to get me nice and wet. So he certainly doesn't mind.

Nick is a great fuck and I love plunging his seven inch love muscle as far down my throat as it will go before spreading my legs wide and taking it deep into my pussy. He can last for ages and always gives me at least one cunt-pulsing orgasm per screw.

As I said, I like to read the letters pages while fingering myself, and a few weeks ago Nick turned up whilst I was right in the middle of a session.

He came into the bedroom and caught me with your magazine spread on the bed, me lying on my front with a hand wedged between my thighs bucking my hips up and down, panting as I neared my climax.

"Don't stop," he said as I spun round in surprise, my heavy tits bulging through the blouse that I hadn't been bothered to remove.

"I've bought you a present," Nick said with a smile, and handed me a neatly wrapped package.

I ripped off the paper covering with my love-juice coated fingers and opened the box.

Inside was the coolest and biggest vibrator I had ever seen.

About 12 inches long with a black rubberised covering and a big knob

Continued on page 14

She gasped and began to rock her hips as I poked my fingers between her labia, pushing her gusset slightly inside her pussy.

Gasping, she begged me to lick her pussy, but I continued to tease her, working her up until she was writhing on my lap and almost in tears with her need.

Finally, satisfied that she was ready for me, I released her arms, and, grasping the hem of her dress, pulled it off over her head. Her beautiful tits bounced as I pulled the dress free and I was thrilled to see that she had extra large nipples.

Immediately my fingers nipped her taut buds, making her squirm even more on my lap, and when I rolled them between my thumbs and forefingers she squealed, begging me to tug them harder. This girl was really getting into the mood, so I ordered her onto the bed and told her to masturbate through her panties while I stripped off.

CHARLIE

Charlie is definitely England's Rose in our eyes, and she's got some very delicious petals in between her legs too. "They smell nice and taste pretty good too!" Charlie chirps up, while we think we're discreetly discussing her lady garden out of ear shot! "Bet you'd like to feast your lips on them and slide something deep up inside me? Unfortunately for you I've just started dating someone, so unfortunately I'm exclusively open just to them, I'm quite traditional when it comes to stuff like that. But it's been a while since I've been in the magazine and lots of things change, so maybe next time I see you I might be a bit more available for more than just a photo shoot!

on one end, it nearly brought tears to my eyes at the thought of pushing it's thick girth up my cunt. It also had a smaller curved shaft sticking out from the base, which I imagined would feel pretty damned good against my clit or inside my tight little arse as I worked the main monster into my cunt.

"Can I try it right now?" I pleaded, pressing it between my boobs and squashing them around it, before tickling the tip with my tongue and smiling sexily at Nick.

He just nodded, so I lay back on the bed, raised my legs and slowly spread myself as wide as I could. My shaven fanny lips parted as I did so and Nick

> "I was so turned on that I pushed four fingers deep into my cunt, amazed at how stretched It was."

knelt on the floor directly in line with my glistening, gaping slit.

With one hand, I opened my cunt wider so Nick could see right inside my fleshy pink tunnel and with the other I positioned the bulbous head of the giant fake cock at the entrance.

Pressing gently at first I worked the tip around my opening in order to cover it with as much pussy lubricant as possible before pushing a little bit harder.

"Fuck!" I yelled as suddenly the whole rounded knob entered my hole, traveling a good two inches inside before I realised what was happening.

My pussy lips stretched to their limit to accommodate him but the feelings that pulse through my crotch were so fantastic I wanted more.

Smearing my pussy juice all over the long shaft, I took a deep breath and eased it further inside, pulling it out slightly and then pushing it in a bit harder. My pussy had never been so full but I knew I had a long way to go yet.

Nick picked up the controller connected to the beast and with an evil grin turned the dial to the first notch.

Waves of tingling vibrations coursed through my cunt and the jumbo shaft slipped deeper and deeper of its own accord.

My tits were begging for attention by now so I began to tweak one hard nipple with the fingers of my spare hand.

"Use both," Nick commanded and took my hand off the sex toy. I obliged my lover, squeezing my large breasts against each other and mauling my tits for him as he worked his horny present in and out of my aching hole.

He turned the dial some more and the waves of pleasure nearly became unbearable as the smaller shaft finally tickled the crack of my arse. Nick twisted and turned the toy until the butt-finger was just inside my twitching bum hole.

"Harder you bastard," I yelled and gripped my nipples like a vice between finger and thumb as the climax rose deep within me. He thrust it forward, burying the arse fucker completely up my dark tunnel and made me squeal as my whole body shook and I came like I've never cum before.

Nick twisted the control even higher and I realised I was cumming again straight away. I had never had a multiple orgasm but I was sure having one now!

It felt like my arse and cunt were on fire with pleasure, the two vibrating tools trembling the tender internal flesh deliciously as I wriggled my arse on the bed and groped my tits.

Another climax and then another crashed through my body until I lost count and I writhed, drunk with lust before my boyfriend.

Suddenly he switched off the wonderful toy and eased the cum-drenched monster from my trembling holes. Nick turned me over onto my front and rammed his desperate dick up my bumhole. I was so turned on that I pushed four fingers deep into my cunt, amazed at how stretched I was. Fuck, it felt so dirty, plunging nearly my whole hand inside me that I came again, just as Nick grasped my hips and shot his spunk deep up my arse.

We lay in that position for ages, totally enveloped in our filthy pleasure before falling asleep, exhausted from the exertion.

That huge pulsing sex aid is certainly the best present I have ever been given and the great thing is that since then Nick has given me it over and over again!

Sarah, Aldershot.

Dear Mayfair,

It's always a pleasure to see Holly Gibbons in Mayfair, plus all of the rest of your magazines too, but she does belong amongst to be amongst the cream of the crop. It's not difficult to identify what her best features are. When she looks at me from the page she's got some of the best come fuck me eyes out of all of the girls in your magazines, her cleanly shaved pussy and bum are so inviting as well. But for me I thinks she's got the best boobs out there, every proportion of them is perfect, it makes me think that she must have been created in a lab somewhere buried under a mountain. If only that were true and they've currently got a production line of Holly's ready to his the streets this year.

Alexander (current location - searching for said bunker)

Thanks Alexander. Holly will be asking us to get the legal team to start drawing up a restraining order when she cops her eyes on your letter!

There is a big difference between a QUIET woman and a SILENT woman.

Three little pigs decided to go out for a drink. The first little pig proceeded into the bar and ordered a drink. He gulps it down, goes to the bathroom, and then leaves. The second pig then went to the bar, gulped his drink, and then headed for the bathroom before leaving. Then the third little pig approaches the bar, chugs down his drink, and heads towards the front door.
"Aren't you going to go to the bathroom before you leave, like you buddies did?" The bartender asked?
The third pig says, "Nope, I'm. the little pig that goes weee, weee, weee, all the way home."

Who would have thought purchasing some wire mesh could be so enjoyable! The last time we went to the DIY store it was to get a roll of it to build a rabbit hutch in the garden, and that didn't turn out too well, those damn foxes managed to find a way through! This time it was so much more fun though! As you can see a different kind of fox turned up! We do love Carla Banks here at Mayfair, but we love her even more when she's caged up and covered in baby oil! "Me too, the slippery the better!" ANITA PEARL

People tend to generalise about individuals from Eastern Europe. Regardless of whether said person is from Slovenia, Poland, Slovakia, Czech Republic, and so on, they are simply dismissed as 'Eastern Europeans', and stereotyped by many as 'nicking our jobs' and 'only wanting a bloody green card'. But that's silly talk, and to not recognise individual nationalities is to miss out on some very interesting country-specific quirks. For example, the Polish smile a lot because they're generally thinking about the cartoon character 'Golomki' who has a cabbage for a head, and Estonians smell sweet because they rub honey into their ear lobes. Bosnians, on the other hand, like to tie-dye their socks. Anita Pearl here is from Hungary, where everyone carries a cheese grater for good luck.

APRIL MAE

Come what may, we're more than a bit happy to get a little bit excited over any pages that April Mae graces! "I'm over the moon to be appearing in Mayfair, it's been a dream of mine for so long to appear in a Paul Raymond magazine, but to be in your flagship title is just amazing. I thought one day I'd be lucky enough to get my tits out in a Lad's mag, but this is something else. I know that my Dad used to buy Mayfair because I found a copy of it once in the garage, I really hope he doesn't still buy it as he's going to be in for a real shock!" That might make the next Sunday roast around your parent's a bit awkward! "Yes, just a bit! Oh well, you only live once!"

CAPRICE

Ah yes, it's been remarked upon elsewhere in this magazine, but there's no getting around the fact – there's something super alluring about the sight of a horny babe getting all worked up in a shower, isn't there? Latest to follow in this long and noble top shelf tradition is the delectable little Caprice, who took to the whole sexy shower setup like a duck to water! "Well it's no wonder!" she told us. "My ex-boyfriend used to love fucking me in the shower, so now whenever I have a shower it makes me feel horny. It's a kind of Pavlovian response, I guess!" What, you like to take meringues in there with you as well?!

BROOKE

A few months ago the Ed stated that an increasing number of letters were asking if he intended to feature curvy British babe Brooke Little in the magazine again? Well, he's generally pretty quick on the uptake, and it wasn't long before he was putting out the feelers and trying to track the girl down. Well, once we'd managed to lure her in for a shoot before we realised exactly what it was everyone was getting excited about – talk about a magnificent frontage! Boobs like those don't come along every day of the week, so we're hoping to see a lot more of them – not to mention the rest of Brook's gorgeous body, in the not too distant future!

MAYFAIR MOVIES

We might live and breathe for photos over here at Mayfair, but we can't ignore the art of moving pictures, they do date back to 1874 after all! Things have changed quite a bit since the good old days, and we like to keep you well informed.

SNATCHCHAT - WICKED PICTURES

For those of you who are a bit too young to be familiar with Snapchat, it's an old app (it's you do on your phone, something that you're more than familiar with!) that lets you send pictures to your mates which, well, they can't keep. In other words, it was designed for Millennial types to send dirty pictures of themselves to each other without having to worry that the piccies would end up plastered all over the web. Nifty, eh? It's gone a bit more mainstream since then, but this flick is based squarely on the Snapchat premise, with all the sploshers in it taking part in the 'Snatch Chat Dare Challenge' in which they get up to all sorts of filthy acts and share them with their mates. Skyler's challenge is to find and fuck a black guy, and Challenge Anneka-style off she runs to find one – and soon finds a likely candidate who's more than happy to play along. The camerawork's (deliberately?) a bit shonky, but there's no denying the intensity of the action, especially when he splashes off all over her face. Carolina, meanwhile, has to screw a cop, which she accomplishes with some ease once she flashes him her hairy snizz. Some sizzling lesbo fun follows as Katya has to get it on with her best friend (big-boobed Ella). There's plenty more to come, with cute Asian Jade and MILF Sofie completing the set.

STARRING: Carolina Cortez, Ella Knox, Skylar Snow, Katya Rodriguez, Jade Kush, Sofie Marie.

ALYSSA

When I was just six months old, my mother that is so ugly that she deleoped post natal depression. It got so bad that she t or because she was admitted and spent a great deal of time locked away in a psychiatric hospital. I spent my whole childhood thinking I must be the devil in the form of a baby. But upon her release, when I'd grown up to be a happy, confident 24-year-old, we had a tearful reunion, where we opened our hearts to each other, and I managed to forgive her for what she'd done. And we embraced, and for the first time in my life I felt that special bond that only a mother and son can share; a feeling of warmth and love and happiness. And everything felt all right with the world again. But, I hear you ask, what has any of this got to do with Alyssa, all beautiful and naked in the glow of a sunny California afternoon? Well, not a great deal to be fair, only that I think if we all truly believe in ourselves, then like Alyssa, we can all learn to smile again. Or some load of old bollocks like that…

M

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

My girlfriend Jane is one in a million. Sometimes she really surprises me with her totally relaxed and open attitude to sex. She's always horny, and, although she looks so young and innocent, the fact is that she's up for almost anything, anytime, any place.

Take yesterday for instance, when I visited her flat. As I arrived the door was unlocked and music was blaring out. Nobody answered the bell, so I just walked in and was greeted by Jane. She was half-naked, drinking a glass of tequila and dancing around the room to her tunes, but when she saw who it was she literally threw herself at me.

She jumped into my arms and wrapped her legs around my waist, making me smile as I cupped her small tight arse with one hand while the other slipped under her top and up her back as we kissed. Her tongue slid into my mouth as she ground her body against me, and, as our kiss became more intense, I started thrusting my throbbing cock against her.

I continued to dry-fuck her through our clothes as she bumped and ground her pussy against me. Then she wriggled out of my arms, looked around for the tequila bottle, and beckoned me over. Bottle in hand, she told me she had a confession to make after we'd had a few shots.

NAME JANE
AGE 26
FROM MATLOCK

We took the bottle to her bedroom and sat on her bed.

It only took two more shots to get Jane really buzzing, and she began telling me that she loved sex with girls.

This is one of my favourite fantasies, but as I knew that Jane wanted to shock and surprise me I pretended to be stunned. Of course my body language let me down, and Jane started giggling.

I gave in and played along, asking her to tell me more, as more than merely my curiosity became aroused. Snuggling closer to me, Jane put her hand on my thigh and told me that only a couple of days previously she had hooked up with a girl we both knew, a girl who as it happens, actually works alongside me at the office. I really was genuinely astonished by this, as the girl she was talking about, Dee, is a bit of a mouse, and although everyone says she could be hot-looking, Dee always dresses down and seems to actually try not to look sexually appealing.

As Jane spoke I started to kiss and lightly nibble her ear, cupping one breast with my hand. Jane told me how she had met Dee while dropping in on me at work.

Apparently, they had chatted for ages and eventually exchanged phone numbers. I interrupted her by pushing the tip of my tongue into her ear.

> "She grinned as she sat with her thighs spread as far as possible, exposing her dripping pussy."

"Just tell me about the sex," I whispered, pinching her hard nipple through her top. As she told me about Dee's big soft boobs, I slipped my hand between her legs. The gusset of Jane's panties was already soaked, and I began to roughly rub her pussy through the moist material.

"Fuck," she muttered as my hand slid inside her panties and I began fingering her pussy. She gripped my head with her hands and pulled my face to hers, sucking my tongue deep inside her mouth. I wanted to hear more, so, breaking the kiss, I asked what they'd done together.

"At first we just French kissed," she said, whilst moaning slightly in response to my index finger rubbing her clit. She was squirming now, obviously getting really horny telling me about her tryst. I forced a finger into her slot as she told me she had sucked Dee's nipples. As my finger explored her fanny, Jane responded by gasping and begging me to fuck her.

"Did you lick her pussy?" I demanded, beginning to finger-fuck her slowly. Jane squirmed on my hand as she affirmed that she had

indeed licked Dee and made her cum, not just once but many times. At this admission I pushed another finger inside her, making her gasp with excitement as her orgasm approached.

My fingers were sliding in and out of her now, brushing against her clit with each stroke as Jane told me how Dee had sucked her clit until she came all over Dee's tongue. "Fuck," Jane wailed, coming really hard on my fingers, her pussy convulsing around them as she writhed and moaned.

Jane began to strip, peeling off her top to reveal her small but pert little tits and sliding her panties down and off. She grinned as she sat with her thighs spread as far as possible, exposing her dripping pussy. Keeping eye contact, she licked her lips and pushed a finger into her wet slit.

I quickly undressed, and, opening the second drawer of her bedside cupboard, I located her favourite little gold vibrator.

Kissing her, I brought the head of my throbbing erection to her slit and eased half of my shaft into her. She groaned, holding on to me tight as I slid another couple of inches into her.

I started to thrust with short strokes, shunting her pussy as she moaned and pleaded with me to fuck her harder. She threw her head back as I stuffed more cock into her, gripping her waist with one hand. Her pussy clenched as I turned on her vibrator, rubbing it against her clit as I buried my cock fully inside her.

Jane tossed her head back and cried out with pleasure, her pelvis thrusting against mine as she grabbed the vibrator from me and held it against the underside of my ballbag.

The sensation of the vibrator against my nuts and the base of my shaft was almost too much for me, so I pulled out before it was too late. Jane immediately slid the vibrator into her sopping pussy and held it there as she climaxed again.

But watching her pussy spasming was so horny that I gave

"I brought the head of my throbbing erection to her slit and eased half of my shaft into her."

in to temptation, and, stroking my cock, I splashed my load all over her hair, face, tits and belly.

Jane began scooping up my cream and licking it off her fingers as I lay back, relaxing and feeling grateful for having such a horny and gorgeous girlfriend. M

I never thought I'd end up telling a magazine like yours about my filthy exploits, but I know it would turn my hubby George on to read this so I hope you'll print it.

Last month George and I went out for the evening with some friends we'd known since we moved to this town.

Clare and Pete are both in their twenties and attractive. I knew for a fact that George fancied the pants off Clare as he'd told me how much he liked her long legs and big tits while we're fucking.

We often talk about fantasy shags while we screw as it turns me on thinking of George's dick stuffed into another woman's mouth, and it gets George off thinking about some bloke ramming my pussy full of hard meat!

Anyway, it was pretty late by the time we got back to our friend's house, and while Pete got some drinks, Clare put some music on and started dancing with George.

George was winding me up by stroking Clare's arse and pressing his crotch against her while grinning at me. Clare was giving as good as she got though, kissing George's neck and running her hands up and down his thighs while they gyrated around the lounge. I could feel my pussy juicing up as I pictured how hard my hubby's cock would be getting. Pete came back with the drinks and sat on the sofa next to me. He couldn't take his eyes off our partners' dance, and I could see he actually had a slight bulge in his trousers.

NAME JEAN
AGE 50-ISH!
FROM EVESHAM

My fanny got wetter and I casually placed my hand on his leg as we continued to watch.

George noticed my hand and began to fondle Clare's bum more

intently, checking Pete's face for signs of disapproval. Realising he was enjoying their display, George suddenly turned Clare's head towards his and kissed her full on the mouth. Pete's bulge grew bigger and I slid my hand on top of it, letting my fingers grip the solid shaft beneath the material.

We all knew where this was heading and, dropping any pretence, Pete slipped his hand between my legs and ran his finger up my skirt towards my sodden fanny.

I nearly came as he touched my damp panties, stretched taut over my love mound, and when he started stroking up and down the lips of my pussy I spread my legs for him and pulled the crotch of my knickers to one side.

George had lifted Clare's dress up to her waist and was delving between her stockinged thighs for her cunt. He was staring at my now bare fanny as Pete eased a finger and then another inside my dripping hole, grinding them up into the soft moist folds of my pussy. I undid his trousers and in seconds had a gorgeous eight-inch prick pulsing in my hand. I wanked it gently as I watched George undo the back of Clare's dress and expose her awesome fat tits.

Her nipples were huge and I masturbated Pete's cock faster as my husband took one fat teat in his mouth and sucked it noisily, his hand still pushing rhythmically in between my friend's legs as she moaned and groaned her appreciation. I was still able to watch the action as I leant forward and stuck Pete's lovely dick into my mouth. The taste of his meat excited me further, and I ground my fanny down hard onto his probing fingers.

Clare had dropped George's trousers to the floor and I could see his rigid muscle in the palm of her hand as she guided him in between her thighs. Lifting one stockinged leg up to his waist, both Pete and I could watch in vivid detail as she pressed the end of his knob against the entrance to her slit and then pushed down on him so that about two inches disappeared inside her pussy. Fuck, two could play at that game, and, pulling Pete's dick from my mouth, I clambered on top of him, sitting directly onto his prick with my back against his chest.

Pete was bigger than George and his swollen shaft plugged my pussy good as he buried it up to the balls in my soaking tunnel. I began to ride him as he groped my tits and we leered at our loved ones fucking before us.

George had both hands on Clare's arse, pulling her body onto his knob as he grunted with lust. Pete pinched my nipples as I crammed his cock in and then out, a climax bursting through my crotch as his dick reached maximum penetration.

I didn't have time to recover as George dragged his cock from Clare's twat and pointed it straight in my face. I just had time to open my mouth as the first jet of his seed splattered the back of my throat and, with Clare furiously wanking his meat, the spunk was flying everywhere; coating my cheeks, neck and chin in sticky white gloop that dripped off my skin onto the silk material of my blouse.

I felt Clare's fingers clench around the base of her lover's prick as I continued to ride it. I knew as his body tensed beneath me that Pete was about to unload and he did, straight up inside my aching cunt, his heavy manhood jerking and pumping out sperm while buried to the hilt in my gaping hole.

With my face still plastered in semen, I climbed off Pete and joined Clare, licking and sucking the mixture of jizz and fanny juice off her partner's cock. As Clare helped herself to some of George's cum still smeared around my mouth, my husband busied himself by fingering both of our hot, wet, soaking cunts at the same time, ramming his fingers in and out.

Both dicks and both pussies got a lot more attention that night, and we've already discussed doing it again. Maybe Clare and I should put on a proper lezzie show for our men next time. I know I'm game if she is! MF

I'm not the type of girl who normally gets really over-the top horny when I'm having sex, but the first time I had sex with a black man it rocked my world. This guy was a total stud and I had never had sex this good before or since. We met at a party. I just started randomly chatting to him because I didn't know many people there. He was easy enough to talk to and, as he kept supplying me with top-ups on the wine front, I soon mellowed and started to relax.

The rest of the evening sped by in a bit of a blur, not least because the longer we talked the hornier I became. I kept wondering if the old saying: "Once you've tried black, you never go back" was true. I couldn't help myself! He was also a little touchy-feely, lightly stroking my arm and brushing against me at every opportunity. In any case, by the time we were ready to leave I knew that I wouldn't be going home alone. We got a taxi to my place and I practically dragged him straight up to the bedroom.

I managed to take my time undressing, performing a cheeky strip-show to make sure Joe was completely on the boil. It definitely did the trick, and he watched appreciatively, smiling and admiring my body as he loosened his tie and unbuttoned his shirt. Once I was naked he got up and ran his hands all over me, touching and squeezing me in all the right places until my juices were flowing and my whole body was tingling with arousal. Joe lifted me and carried me to the bed before yanking off his trousers. I squirmed when I saw the size of his huge cock pushing against the front of his white silk boxers. He slowly unbuttoned his shirt, making me wait until he was finished to reveal the full glory of his massive weapon.

It was beautiful – long, dark, smooth and thicker than any white cock I'd every seen. The helmet was a deep-reddish purple and seeping pre-come. I licked my lips and he winked at me, but secretly I was nervous as to whether it would possibly fit inside me. Even so, my body was trembling with lust, and I longed to try a taste of his huge black cock.

I moved on the top of the bed towards him as he offered his big dick for me to suck. My cheeks bulged as I took a mouthful of his meat. I sucked and licked his cock as best I could, but there

was no way I could take more than half his length in my mouth.

He was considerate, taking things gently and slow, allowing my jaw to adjust to his thickness and only slowly moving in and out as I worked at his shaft. Then suddenly he pulled away and laid me on my back. He asked me if I was okay, and when I nodded, he moved between my thighs, licking my pussy with his long tongue. Powerful pulses of pleasure ran through my pussy as he licked across my clitoris again and again. It felt incredible.

AGE 25
FROM LONDON

Forgetting any manners or whatever, I simply demanded that Joe fuck me. I need to be fucked and it couldn't wait.

Joe seemed happy enough to oblige, moving his powerful body on top of me and pressing his big knob against my pussy. I gripped his arse-cheeks and pushed against his bell-end, forcing his shaft inside me. Thrusting hard, he pushed his big black cock even deeper – I felt so full, it was completely awesome.

I cried out in delight, thrusting my hips hard upward against Joe's descending pelvis. I think it was the combination of his massive size and the excitement of having sex with a black man for the first time that drove me to this new heightened level of passion.

Whatever the reasons, being fucked by a longer, thicker cock than I had ever experienced before was driving me almost crazy with lust. In and out Joe plunged, stretching and filling

"He filled me completely, stretching my pussy to the max and creating sensations I never knew existed."

me with his hot black meat. The desperate aching created by the friction was almost too much to take. I closed my eyes and concentrated on the pleasure as Joe fucked me toward an orgasm, the intensity of which I was sure would dwarf any I had experienced before.

As his hard cock slammed into my pussy, I ground myself against him, each powerful thrust making me feel as though I was going to explode with pleasure.

My fingernails dug into his backside as I tried to pull him in faster and deeper.

Joe responded by banging me harder and more frantically, sinking his huge cock balls-deep inside me each time as he penetrated me deeper than any man before or since. He filled me completely, stretching my pussy to the max and creating sensations I never knew existed.

My mind was no longer in control as Joe fucked me harder and faster, his handsome face smiling as he watched the changes in my expression with knowing satisfaction. My eyes opened wider and I arched my back, taking him into me as far as I could.

I was being driven forward, but I was fucking Joe back every bit as hard as Joe was fucking me.

Now my pussy began to spasm and convulse around his plunging tool, the most fabulous orgasm of my life welling up as the friction and pleasure grew more and more intense and I grabbed his muscular arse cheeks and pulled him into me. My body jerked and shook and the only sounds to escape my mouth were moans and sharp gasps as I came on his pumping cock.

But just when I thought I had reached my peak, Joe's smile widened and he began to fuck me even harder! My head went dizzy with the pleasure as he fucked me so vigorously that I almost passed out, and when he blasted a torrent of spunk inside me my body just kept climaxing while my cunt convulsed and contracted, milking his big black tool dry. What an. unbelievable, mind-blowing fuck. And do you know, now I've had black I don't think I ever will go back!

ARIA GIOVANNI

It's so difficult to think of anything original to write about a porn industry legend like the truly stunning Aria Giovanni. I mean, she's so popular and sought after that everything there is to be known about her, or, at least, what she's willing to give away, is out there already on the Internet. Thankfully, for the sake of this blurb, I have invented one nugget of information about Aria that not even her most hardcore fans will know, or believe: She's a robot! Like half-brother Metal Mickey, Aria's favourite catchphrase is Boogie, Boogie, Boogie', and, a la cousin Johnny 5, she can read a book in four seconds too. Impressive stuff!
